## A Message from Van Bourgondien's

Dear Customer:

It is a great pleasure to present once more our full size catalog and to be able to offer you again a comprehensive list of the best Netherlands and American-grown bulbs, many of which were not available during the years of the war. Our nurseries in Holland can now supply all of the finest of the old favorites and many superb new varieties, especially in the Daffodil and Tulip classes, that will delight you.

You will find here also exceptionally good Hyacinths and Crocus as well as the popular Blue Squill (*Scilla Sibirica*) and Winter Aconite (*Eranthis Hyemalis*). We have been fortunate in getting excellent stock of the Lady Tulip (*Clusiana*) and other well-loved flowering bulbs missing since 1939.

We have again lowered our prices on Tulips. You will find all our prices held as low as possible—much lower than the market in many cases. It will be to your advantage to order promptly while you may have your choice. Demand will be very great this year and complete selections may not be available for late orders. Sincerely yours,

VAN BOURGONDIEBROS., Inc.

Midland, Michigan,

May 9, 1945.

Van Bourgondien Bros., Inc.,

Babylon, N. Y.

My dear Sirs:

Last fall I bought of you one hundred Parrot Tulips (Fantasy). They are perfectly beautiful and I want to order one hundred more for fall planting.

I am ordering early so if you have these I will be able to have more to plant in the fall.

Do you have any other unusual Tulips? If so, kindly let me know. I have five acres set out in borders, formal garden, etc., and I am very much interested in unusual varieties.

Thanking you, sincerely,

MRS. D. K. REINHART.

Williamsport, Pa.,

May 27, 1945.

Van Bourgondien Bros., Inc.,

Babylon, Long Island, N. Y.

Dear Sirs:

May I please have your bulb catalog as per your "ad" in May issue of "The Home Garden."

I planted your collection of Daffodils for naturalizing last fall and this spring had a most beautiful display of blooms. I was more than pleased with them and would like to order more this fall.

Respectfully,

MRS. SARAH B. WILLIAMS.

Aurora, Ill.

Van Bourgondien Bros., Inc.

I sent you a trial order last fall for Tulip bulbs and I am very well satisfied with them.

I planted your bulbs at the same time and under the same conditions as other Tulip bulbs I bought from other firms.

Your bulbs and the blooms were so far superior to the others that all who saw them remarked that they did not know there could be such a marked difference in Tulips.

Yours for bigger and better Tulips.

Yours truly,

ALVIN D. ECK.

Baltimore 12, Maryland.

Van Bourgondien:

I intended writing you in the spring to tell you how much we enjoyed the Multicolor Tulip Mixture then. I am re-ordering them and a few Iris bulbs. My place is not very large but never too small for those fine bulbs.

Thanking you again,

EDITH G. CONFER.

Please let me know if you do get Hyacinth bulbs. My four bloomed again this spring from 1943.

190 Rolling Rd.,

Cynwyd, Pa.

Van Bourgondien Bros., Inc.,

Babylon, N. Y.

Dear Sirs:

Last fall I ordered a small quantity of bulbs from you. This spring the flowers were lovely, much better than we had expected. They were much admired by our neighbors and friends. The only ones that didn't turn out were the 3 Parrot Tulips which blasted. I am enclosing a check and order form for more bulbs. I trust that these will turn out as well as the others.

We received two catalogs from you this spring due to my mother's name also being on your list. We passed one on to our neighbor and believe that you will receive an order from him.

Yours very truly,

ELIZABETH ENGLEHART.

Harrisburg, Pa.

Van Bourgondien Bros., Inc.

Enclosed find order also check for bulbs. Was very much pleased with the Daffodils I received last year, hence the reason for another order. The Tulips I had ordered last fall were not quite the shade I thought they would be but were very nice when they were in bloom. Should the check not be sufficient, kindly let me know.

Respectfully,

MRS. MILES W. SHOPE.

P. S.—Will be looking for bulbs in time for fall planting.

Mountain Lakes, N. J.,

July, 1945.

Mr. Peter Van Bourgondien,

A Note of Pleasure to You:

Of all the Tulips we bought, yours were by far the best—such beautiful color and especially long stems. All the bulbs bloomed. Every year we have some stolen, and they make us furious. It's always what we call our "Van Bourgondiens."

MRS. ELIZ. HERRON.

Providence, R. I.,

July 21, 1945.

Dear Sir:

Thanks for the catalog. Our Daffodils and Tulips were wonderful last spring, also the Regal Lilies. Only one out of the three Madonnas bloomed, and it was a beauty. The other two I hope will bloom next year.

The Dutch Iris were beautiful. I am sending a small order as I am pretty well filled up.

Thanks again.

Yours truly,

MRS. E. BINGHAM.

Stamford, Conn.,

July 29th, 1945.

Mr. Peter Van Bourgondien,  
Van Bourgondien Bros., Inc.,  
Babylon, Long Island, N. Y.

Dear Mr. Van Bourgondien:

I was so pleased with the Tulip bulbs that I bought from you last fall that I am sending you another order for Tulip bulbs, some Daffodils and a few of the other things which you are offering this season. I also enclose an order for a neighbor of mine, Mrs. G. Dawson Wrightson, who admired my Tulips so much that she wants some of them, too.

Mrs. Henry M. Kistner of Jamaica, Long Island, who talks to Garden Clubs, exhibits flower arrangements, and judges at shows told me that my Tulips were the best mass planting that she had seen for color and texture, and size of blooms.

Dr. Stanley W. Bromley of the Bartlett Tree Research Laboratories, in writing to me about trees, ends his letter and I quote:

"I was very glad of the opportunity of seeing your beautiful estate and was delighted with the formal garden, particularly the Tulips, which are the best I have seen this year."

Incidentally, ours is not an estate, but just a garden, which I am trying very hard to make as nice and colorful as possible and I certainly succeeded in doing this in the month of May, thanks to your most beautiful Tulips.

Please do not forget to send me your later catalog as I want to get a few more Hyacinth bulbs, and some purple and yellow Crocuses.

Sincerely yours,

GERMAINE H. SHAPLEIGH.

Forest, Va.,

July 24, 1945.

Dear Sirs:

Two years ago I bought three Francisca Drake bulbs from you. I want you to know they're doing fine; have never seen bulbs grow like that.

Cordially yours,

WILLIAM L. HODGES.

Washington Grove, Maryland,

September 26, 1945.

Van Bourgondien Bros., Inc.,  
Babylon, L. I., N. Y.

Gentlemen:

Please accept my thanks for the very fine bulbs I received from you this week, and for the care with which they were packed—particularly the *Lilium Candidum*, which were individually wrapped tightly in paper, evidently to prevent the scales from becoming detached during transit and to retard drying. Such care is especially commendable at this time when help must be quite scarce.

Very truly yours,

OSCAR E. LANCASTER.

Otisville, Mich.,

Sept. 17, 1945.

Van Bourgondien Bros.

Gentlemen:

Last winter I sent to you for some tuberous rooted Begonias.

I have raised lots of flowers but never had any to compare with the gorgeous blossoms I got from the Begonias.

Everyone that saw them thought they were the largest they had ever seen. Thank you for a lovely floral display which is still going on. Hope I have as good luck with your other bulbs.

Sincerely yours,

MRS. BRUCE SMITH.

Randallstown, Md.,

Nov. 30, 1945.

Van Bourgondien:

I received the stamps and it is all right. I will get them, too, next time you have them. Also I will leave an order for the spring as I am satisfied with your goods and you have been very kind to me.

Thanking you, I am sincerely,

ACTALS MAGNESS.

MUSCARI

ERANTHIS HYEMALIS

SCILLA SIBIRICA

### Eranthis Hyemalis

(Winter Aconite)

Early in spring the golden blossoms look charming, resting on an emerald-green cushion of leaves and forming a striking contrast to the Snowdrops, Scillas and Chionodoxas. The foliage remains long after the flowers, making the plant especially valuable in moist situations, such as under trees, which the Winter Aconite enjoys, and where few other flowering plants will thrive. 3 to 8 inches high. 70c per doz.; \$5.00 per 100; \$47.00 per 1000.

### Scilla Campanulata

(Wood Hyacinth)

All the varieties of Scilla Campanulata are splendid for naturalizing because they will flower in shady places. All have bells like small Hyacinths, forming long, graceful spikes.

CAMPANULATA, WHITE QUEEN. Large, pure white. 70c per doz.; \$5.00 per 100.

BLUE QUEEN. Large, bright blue. 70c per doz.; \$5.00 per 100.

ROSE QUEEN. Soft lilac-rose. 70c per doz.; \$5.00 per 100.

### Scilla Sibirica

Scilla sibirica naturalize splendidly, are cheap and so can be planted liberally.

SIBIRICA, BLUE. 70c per doz.; \$5.00 per 100; \$47.00 per 1000.

SPRING BEAUTY. A glorified Scilla, "Sibirica Blue." The color is much clearer blue; the plant produces taller stems with 5 to 6 flowers from one bulb. \$1.00 per doz.; \$7.50 per 100; \$65.00 per 1000.

### Dutch Iris (Bulbous)

For Outdoor Planting Only

(Require some protection in northern states.)

IMPERATOR. Rich dark blue. Very large. 60c per doz.; \$4.50 per 100.

WEDGEWOOD. Very beautiful light blue. \$1.00 per doz.; \$7.00 per 100.

DR. HARING. Rich snow-white. 90c per doz.; \$6.50 per 100.

YELLOW QUEEN. Soft clear yellow. 70c per doz.; \$5.00 per 100.

DUTCH IRIS MIXED. 60c per doz.; \$4.50 per 100.

## Miscellaneous Bulbs

### Leucojum Vernum

(Spring Snowflake)

This pretty bulbous plant is similar to the Snowdrop but of larger, stronger and more attractive habit. In rich soil it grows to a height of 8 inches and produces, in late April, beautiful large white flowers, tipped with green; excellent for cutting. \$1.00 per doz.; \$7.50 per 100.

### Mertensia Virginica

(Virginia Blue Bells)

A beautiful hardy perennial that should be planted with Daffodils for contrast. The flower buds are pink, opening into lovely dainty flowers of porcelain-blue, borne in nodding clusters. This beautiful spring flower starts blooming along with Daffodils and lingers to frolic with the May-Flowering Tulips. Delightful in the open border or along woody paths. Choice Selected Roots for the garden or for naturalizing: Each, 25c; \$2.50 per doz.; \$18.00 per 100.

We offer only the Exhibition Size: 3 for 45c; \$1.60 per doz.; \$12.00 per 100.

## Paper-White Narcissus

Suitable for Growing in Water and Gravel, Sand, or Fiber.

We handle only the Giant Grandiflora variety, which is a great improvement over the ordinary Paper-White Narcissus. It can be had in bloom for Christmas until Easter, either in pots, bowls, or boxes. When well rooted they can be taken into heat, and if watered freely they will produce an abundance of beautiful blooms. They are not hardy.
